Windows x86-64 web-based installer	Windows	for AMD64/EM64T/x64
Windows x86 embeddable zip file	Windows	
Windows x86 executable installer	Windows	
Windows x86 web-based installer	Windows	

Download the windows installer, double click the executable and install for all users.

INSTALLING LIBRARIES

Now, Linux and Mac users can simply do:

```
$ sudo apt update
$ sudo apt -y upgrade

$ python3 -V

$ sudo apt install -y python3-pip

$ python -m pip install --upgrade pip
$ pip install matplotlib
$ pip install pandas
$ pip install numpy
$ pip install openpyxl
```

Now, Windows users have to use the CMD and type “pip install [library]” as shown here:

```
> python -m pip install --upgrade pip
> pip install matplotlib
> pip install pandas
> pip install numpy
> pip install openpyxl
```
